### Pattern

Chain 25

Row 1: Double crochet in 4<sup>th</sup> stitch from hook and in each chain across. Chain 3 and turn

( you may adjust the width as by increasing or decreasing the original chain)

Row 2: The chain 3 counts as your first DC in this row, so you skip the first DC directly under the chain and then DC in the BACK LOOP ONLY of all other DC until the end of the row. Be sure to DC into the top of the previous row's turning chain. Chain 3 and turn

(The back loop is the part of the top of the previous row's double crochet which is away from you)

Repeat row 2 until desired length and fasten off without doing the chain 3 at the end of the row.
